Re: Fiscal Note for SB 340

SUMMARY OF THE BILL'S PROVISIONS

K.S.A. 72-6407 currently defines "pupil" and how a pupil in attendance shall be counted as it relates to school district finance and quality performance in proportion to their enrollment in an educational institution in the State of Kansas.

Current laws states that "a pupil in the custody of the Secretary of Social and Rehabilitation Services (SRS) or in the custody of the Commissioner of Juvenile Justice (JJA) and enrolled in unified school district No. 259, Sedgwick county, Kansas, but housed, maintained and receiving educational services at the Judge James V. Riddel Boys Ranch shall be counted as two pupils." SB 340 amends current law to include a sunset provision so that the "two pupil rule" would expire on June 30, 2011.
